Re: FPPC File No. 09/791; Michael Keegan

Dear Mr. Keegan:

On December 17, 2009, we contacted you concerning a gift you reported on your 2008 Annual Statement of Economic Interests that appeared to be a gift over the applicable gift limit. On January 28, 2009, you responded to that inquiry indicating that you estimated the total value of the vacation rental which was the subject of the gift, but that four other persons received the hospitality and that your actual value of the gift was \$210.

Along with your letter you submitted an amended Schedule D to correct the reporting error. Since it does not appear that the gift limit was violated, we have closed our file on this matter.

If you have any questions, please feel free to contact me at (916) 322-8194.

Sincerely,

REDACTED
